COMPANY PROFILE

Our Activities in Terms of Business

HVAC Division

DESIGN, SUPPLY, INSTALLATION, COMMISSIONING, TESTING AND BALANCING OF CENTRAL AIR CONDITIONING SYSTEM (HVAC) FOR INDUSTRIAL AND COMMERCIAL SECTOR

- CHANNEL PARTNER OF YORK (JCL)
- CHILLERS, AHU, FCU, COOLING TOWERS, PUMPS, PRECISION MACHINE, PIPES, INSULATION, CONTROL PANEL, CABLING, BMS, DUCTING, VALVES, HEAT EXCHANGER, HUMIDIFIER AND SO ON
- OPERATION AND MAINTENANCE
- AFTER SALES SERVICE

Elevator and Parking Division

ELEVATORS & ESCALATOR

- SUPPLY, INSTALLATION, COMMISSIONING
- OF ELEVATORS AND ESCALATORS FOR COMMERCIAL AND INDUSTRIAL SECTOR
- OPERATION AND MAINTENANCE
- AFTER SALES SERVICE

MECHANICAL PARKING SOLUTION

- DESIGN, SUPPLY, INSTALLATION, COMMISSIONING OF BI DIRECTIONAL PARKING SYSTEM, VEHICLE STACKER, ROBOTIC PARKING, CAR LIFTS, ETC
- OPERATION AND MAINTENANCE
- AFTER SALES SERVICE

Building Material Division

- LOCAL PARTNER OF INDEX
- SUPPLY OF MECHANICAL & CHEMICAL ANCHORS, ETC
- ENGINEERING SUPPORT

- LOCAL PARTNER OF NULLIFIRE
- SUPPLY/INSTALLATION OF PASSIVE FIRESTOP SYSTEM

- DESIGN, SUPPLY & INSTALLATION OF GEOSYNTHETIC CEMENTIOUS COMPOSITE MATS (CONCRETE ON A ROLL)

- LOCAL PARTNER OF LUMKANI - PROTECTING AGAINST FIRE
- FIRE/HEAT DETECTION SYSTEM FOR INFORMAL SETTLEMENTS

Locomotive Division

SUPPLY OF RAILWAYS LOCOMOTIVES AND SPARE PARTS

INTRODUCTION

Aziz & Company Limited (Azizco) stands tall as a trailblazer, a pioneer that has shaped the landscape of electro mechanical services, trading, and contracting since the early 70s. With a remarkable legacy spanning nearly four decades, our unwavering commitment to delivering top-notch services and products has been the cornerstone of our company philosophy, propelling our continuous growth and earning us a distinguished reputation.

CROSSING THE LIMITS

At Azizco, our success story is intricately woven with the passion and dedication of our people. We firmly believe in achieving results the right way—through responsible practices, relentless pursuit of excellence, innovative technologies, and seizing new avenues for profitable growth.

Today, Azizco has undergone a remarkable transformation, blossoming into a multifaceted business with a diverse range of interests in thriving sectors. Our presence extends across HVAC, Vertical Transportations (Elevators, Escalators, Automobile Stack parking, Tower parking systems), and Building Construction Materials Industries in Bangladesh. With a comprehensive suite of customer-oriented solutions and unparalleled support, Azizco has become a trusted household name in these industries throughout Bangladesh.

WHAT SETS US APART

What sets us apart is our dynamic approach, constantly adapting to the ever-evolving needs of our clients. We go above and beyond to provide seamless experiences, empowering individuals and businesses alike to achieve their goals with confidence. By combining our expertise, cutting-edge technologies, and a deep understanding of market trends, we consistently deliver solutions that surpass expectations, fostering long-term partnerships built on trust. Our unwavering commitment to quality and customer satisfaction fuels our drive to deliver excellence in every endeavor.

Deep understanding of market trends

Commitment to quality and customer satisfaction

VERTICAL TRANSPORTATION DIVISION

Reimagining Heights, Refining Spaces

Having a heritage tracing back to the early 70s, Aziz & Co is recognized as the pioneer in vertical movement solutions. Across Bangladesh, we have effectively delivered and set up more than 5000 elevators, overseeing a remarkable collection of elevator systems. Through our unwavering dedication to achieving the highest standards, we have secured our esteemed role as frontrunners in this industry. Our all-inclusive method to vertical transportation includes activities like structural and mechanical design, installation, operational service and maintenance, as well as upgrades.

Aziz & Company Ltd. has introduced innovative elevated and stacked parking solutions to address space limitations in parking lots for both residential and commercial projects in Bangladesh. Utilizing hydraulic lifts and advanced engineering, our high-tech parking solutions intelligently manage parking areas, contributing to a more sustainable and intelligent architectural future. As pioneers in mechanical tower parking, we've effectively eased parking challenges for clients. These revolutionary systems can accommodate 100 to 200 cars in the space typically used by only five to six cars, optimizing land use through vertical stacking. Azizco is dedicated to advancing the Car Parking Solutions industry through customer-centric approaches and exceptional after-sales services, setting high standards of trust and reliability.

HVAC DIVISION

*Unleash Comfort, Preserve Energy
Elevating HVAC Solutions for a
Sustainable World*

As the pioneering force behind Central Air Conditioning in Bangladesh, Azizo proudly holds a distinguished position in the HVAC industry. With unparalleled experience and expertise, we have consistently outshined our competitors, establishing ourselves as a trusted name in the field. Our scope of work primarily focuses on the supply, installation, and commissioning of Central Air Conditioning systems for a wide range of industries and applications.

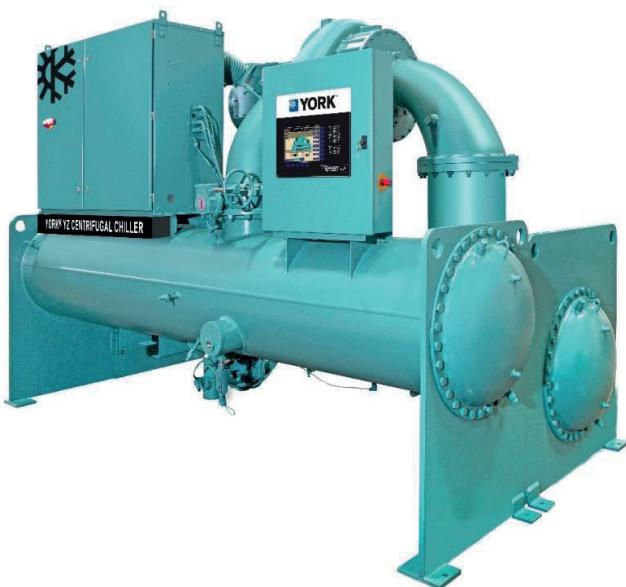

We have the capability to handle projects of any magnitude, ranging from residential buildings and commercial complexes to hospitals and pharmaceutical facilities, shopping malls and indoor stadiums, textile mills and spinning mills, airports and data centers, satellite stations and metro-rail depots, and more. With a proven track record, our portfolio showcases an impressive array of major projects across the country.

As a channel partner of YORK, (Johnson Control Inc.), we enjoy a strategic partnership spanning over 40 years in Bangladesh. This affiliation grants us direct access to YORK factories, enabling us to offer the highest quality products and services. We have a strong market presence and share as a channel partner, with assigned agents and dealers strategically positioned to expand our reach. This extensive network allows us to serve the entirety of Bangladesh with efficiency and effectiveness.

We place great emphasis on customer satisfaction and strive to exceed expectations in every endeavor. Our team is equipped with highly skilled professionals who undergo continuous training conducted by both local and foreign experts.

We also take pride in our comprehensive maintenance and after-sales support teams. We understand that HVAC operation and maintenance is the pillar that makes us strong, and we prioritize the longevity and optimal performance of our installed systems. Our dedicated teams ensure timely maintenance, operation, swift resolution of breakdowns, and the availability of genuine spare parts, guaranteeing the continuous operation of our clients' air conditioning systems.

BUILDING CONSTRUCTION MATERIAL DIVISION

Building Stronger Foundations, Securing Future Success

At the forefront of the construction materials industry, our Building Construction Material Division has built a legacy of excellence spanning over three decades. Our commitment to delivering top-quality construction materials has established us as leading authorities in the field. We specialize in the distribution of high-quality construction materials and focus on three key areas

Anchoring System

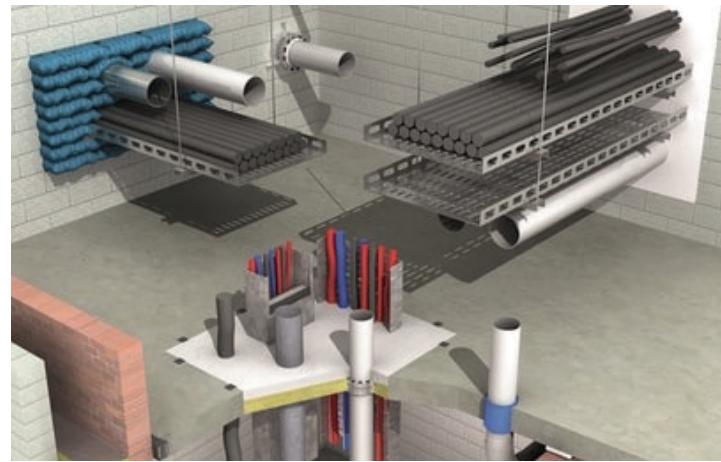

Our expertise encompasses a wide range of fastening solutions, including mechanical and chemical anchors, threaded anchors, and plastic anchors. We have solidified our position as industry experts through strategic partnerships. Our previous collaboration as HILTI's esteemed Channel Partner in Bangladesh laid the foundation for our growth, enabling us to carve out a significant market share in the realm of fastening and fixing accessories.

Furthering our journey, we formed a strategic alliance with INDEX, a globally renowned manufacturer of cutting-edge fixing systems. INDEX's products stand as a testament to precision engineering and unparalleled quality. Our partnership with INDEX has not only expanded our offerings but has also fortified our position in the industry. The exceptional product quality and reliability of INDEX's fasteners have consistently yielded positive results and satisfaction from our clients. Our track record of successful supply to numerous prestigious projects speaks volumes about our dedication to excellence.

Passive Firestop System

Safety is paramount, and our commitment to safeguarding both people and buildings from the risks of fire is unwavering. Representing NULLIFIRE, a manufacturer with over five decades of expertise in smart passive fire protection systems, we provide a comprehensive range of intumescent coatings, sealants, firestop boards, and other fire stopping products. Our experienced technical and sales team is well-equipped to offer engineering support, specification guidance, product development, problem-solving, and on-site assistance. Our partnership with NULLIFIRE has contributed significantly to enhancing fire safety in various projects across Bangladesh.

Concrete Canvas

Innovation drives progress, and our exclusive representation of Concrete Canvas underscores our commitment to revolutionary construction solutions. Concrete Canvas is a geosynthetic cementitious fabric that offers groundbreaking applications in slope protection, canal lining, weed suppression, and pond/lake lining. In a country like Bangladesh, where water body infrastructure is pivotal for development, our promotion of Concrete Canvas aims to transform traditional construction methods. By offering a durable and cost-effective alternative, we contribute to more efficient and sustainable construction practices. This innovative product has the potential to reshape the water body infrastructure landscape in Bangladesh.

We are dedicated to prioritizing our clients' needs and project requirements. Our team of professionals is committed to delivering personalized service and technical expertise. From aiding in specification to developing application-specific solutions, solving challenges, and providing on-site support, we ensure a seamless experience for our clients throughout the project lifecycle. Our commitment to quality is demonstrated by our long-standing partnerships with reputable manufacturers and our unwavering dedication to customer satisfaction.

Our Building Construction Material Division stands as a beacon of excellence, continually striving to provide innovative solutions that build stronger foundations for a successful future. Through our strategic partnerships, unwavering commitment to quality, and dedication to client satisfaction, we are shaping the construction materials landscape in Bangladesh and beyond.

DIVERSITY

IGNITING PATHWAYS TO EMPOWERMENT & POSSIBILITY

For over 30 years, Aziz & Co has been a leading supplier to Bangladesh Railways, providing locomotives, brakes, rolling stock, and more. With a proven record in quality parts from Canada, Germany, and the UK, we have played a vital role in Bangladesh Railways' smooth operations. Our expertise includes converting wagons, supplying rails, and offering maintenance, strengthening our partnership. We have also supplied electrical equipment for the Greater Dhaka Distribution Project through Babcock (UK) under British Government Funding.

LUMKANI, an IoT fire protection system, has greatly impacted 5000+ informal settlements in Dhaka's Korail slum. In collaboration with NGOs like BRAC and World Vision Bangladesh, Aziz & Co, LUMKANI's local partner, has effectively implemented this life-saving tech. LUMKANI's pioneering system detects fires early, providing warnings for swift action, preventing loss, and enhancing resilience in vulnerable communities.

At Aziz & Co, we are dedicated to excellence in all operations, from projects to trading, forging partnerships for progress. Choose Aziz & Company Ltd. for holistic solutions that connect you to endless possibilities.
